

What to bring...

We are pleased you have chosen to have your surgery at Doctors Hospital. We look forward to caring for you during your stay. Following is some information that we hope you will find useful. If you have any queries, please do not hesitate to contact one of our Customer Service Representatives at 302-4733. We look forward to providing you with the finest care and excellent service during your stay. As you make arrangements to check-in to the hospital, we want to let you know some of the things to bring.

What to Bring (and not bring) For Your Hospital Stay

- Storage in your room is limited, so please keep the items you bring to a minimum.
- We request that you not bring valuables with you to the hospital. Please be advised that the hospital is not responsible for money, personal items or valuables kept in your room.
- Dentures, eyeglasses or contact lenses should be placed in protective containers when not in use. The hospital assumes no responsibility for loss or damage to these articles.
- Doctors Hospital is a **Non-Smoking facility**. For your health and ours, smoking is not allowed except in designated outdoor smoking areas. If you are given your doctor's permission to smoke, kindly ask the nurse for the nearest designated smoking area.
- Cellular phones are not permitted in patient care areas as they can interfere with heart monitors and other critical equipment.
